PROFESSIONAL SUMMARY

Enthusiastic Front-End Developer with one year of experience, dedicated to advancing my expertise and contributing to organizational success. Proficient in creating dynamic websites and web applications using HTML, CSS, JavaScript, React and Next JS as well as other styling and animation technologies. I bring a keen eye for detail, a passion for staying updated with the latest technologies, and a commitment to collaborating with teams to deliver outstanding digital experiences. Eager to join a forward-thinking organization where I can continue to hone my skills while making meaningful contributions to achieve shared goals.
